Postgraduate Diploma in Hospitality and Tourism Management

# Postgraduate Diploma in **Hospitality and Tourism** Management

The Postgraduate Diploma in Hospitality and Tourism Management (PDHTM) program is designed to introduce advanced learners to topics pertaining to the hospitality and tourism industry. The PDHTM will enable leaners to make well-informed decisions about managing the areas of work in the hospitality and tourism industry. Successful completion of the PDHTM program will provide learners with the opportunity to progress to further study or employment.

The Industrial Attachment, on-the-job training component of the course will provide students with the opportunity to gain invaluable industry experience, and apply the knowledge learnt in classrooms to become industry leaders of tomorrow.

## Postgraduate Diploma in Hospitality and Tourism Management

Finance Management	The aim of this module is to provide learners with an understanding of the fundamental principles of financial accounting and financial management in the hospitality and tourism industry and how to apply these principles in practice.
Human Resource Management	The aim of this module is to provide learners with the ability to select and apply appropriate human resources frameworks to the hospitality and tourism industry. Learners will develop skills in the recruitment and retention of staff, as well as the importance of training and industrial relations. Learners will understand the importance of identifying and managing cultural diversity in the workforce.
Industrial Attachment	Upon completion of all 6 modules, all students are required to undertake an industrial attachment for up to 6 months with an organization of their choice. Students will be required to submit reports and evaluations during the attachment.
	Industrial experience learning opens your eyes to a range of opportunities in the business world. It gives the learners first-hand practical experience and the chance to see what a variety of different jobs are really like, including some the learner may have considered. In this module, the learner will be exposed to different types of industry- related learning and its benefits. The learner will gather information before starting the placement, and how the placement can help the learner develop key competencies needed for employment. The learner will learn more about expectations of different roles and evaluate the experience through a reflective journal.
Final Project	Students who are unable to secure an attachment can opt for the Final Project as a replacement of the attachment. Students will be required to complete a research paper and presentation on a topic of their choice under the guidance of a lecturer.

## Postgraduate Diploma in Hospitality and Tourism Management

# About IMSC

The International Management and Sports College (IMSC) was formed after a rebranding exercise undertaken by the International Sports Academy (ISA).

ISA was founded in 2003 to provide the much-needed knowledge and skills required to empower individuals with the right tools to achieve success in the burgeoning sporting industry. Together with our partners from the United States Sports Academy, the Australian Sports Academy, the National Strength and Conditioning Association, and the American Council on Exercise, we offer quality certifications and diplomas that are recognised internationally, to provide our students with an edge in the sports and fitness industry.

Over the years, the sports and fitness industry has evolved greatly and the local sports scene has seen an explosion of world class sports events like Formula One and the WTA Finals. There is now a demand for trained personnel not just in sports and fitness, but also in tourism, hospitality, events management, marketing, retail, and facilities management. Thus ISA was renamed International Management and Sports College (IMSC) to better reflect our increased course offerings in business, tourism and hospitality management to better serve the changing needs of the industry.

IMSC will continue to serve as Singapore's and the region's premier private education institution, in providing a holistic education that equips individuals with the skillsets and competencies required for the future economy. We offer a series of quality academic programmes, professional certifications and continuing education courses to cater to varied needs and schedules, in helping our students achieve their goals in lifelong learning.

#### **Our Mission**

To provide a holistic education that equips individuals with the skillsets and competencies required for the industry.

#### **Our Vision**

To develop industry-ready individuals for the future economy.

#### **Our Values**

Passion | Progress | Purpose

#### **Our Culture**

Where success is not quantified by just the result, but rather by the calibre of the pursuit.

- Conferred Edutrust (4-Year) Award by the Committee for Private Education for maintaining high standards in providing quality education services.
- Recognised as an Approved Centre by OTHM Qualifications, which are approved and regulated by Ofqual in the UK.
- Named Most Preferred Private Education Institute for Diploma/Advanced Diploma (Sports and Recreation) . by JobsCentral Learning Survey.
- Provides early industry exposure and job placement assistance through extensive industry network.
- Endorsed by leading industry employers such as Virgin Active, True Fitness, the Pure Group, Triple Fit, among others.
- Appointed Education Partner and Approved Provider in Singapore by the American Council on Exercise (ACE).
- Offers continuing education courses for increasing skillsets.
