MODULES DESCRIPTION

UNDERSTANDING FOOD SERVICES: INTRODUCTION TO RESTAURANT ENTREPRENEURSHIP This unit aims to introduce students to the Food and Beverage industry. Students will holistically understand the characteristics of the different segments' Food Services. Students will also understand the roles and functions of establishing, managing and operating a restaurant within the Food Services industry. Students will be able to gain an insight into how the industry has developed and critically analyze future trends that could possibly evolve in Restaurant Business.

ADMINISTERING
PROCUREMENT, FINANCE
AND MANPOWER
PLANNING IN A
RESTAURANT

The aim of this unit is to introduce learners to the general administrative measures that would be essential for the establishment and operations of a Restaurant. This unit would mainly focus on three crucial components, administering procurement, finance and manpower planning in a restaurant.

OPERATIONS IN RESTAURANT BUSINESS

This unit emphasizes on the importance of the theoretical and practical knowledge required and expected of service staff involved in the day-to-day operations of the various restaurant types. This unit also deep dives into the understanding of the product, its origin, the making process and packaging and service aspect of alcoholic and non-alcoholic beverages. It is a prerequisite to managing food and beverage services within the respective restaurant types.

MARKETING, UNDERSTANDING CONSUMER BEHAVIOR AND INNOVATING CUSTOMER EXPERIENCE IN RESTAURANT BUSINESS

The aim of this module is to enable students to comprehend the importance of marketing in Restaurant business, studying consumer behavior and providing quality service to guests and critically analyze the various concepts in Restaurant Business. Developing service operations and designing restaurant concepts would also be two very vital objectives that would be explored in this unit.

Enrollment

MODULES DESCRIPTION

SUSTAINABILITY AND WASTE MANAGEMENT IN RESTAURANT BUSINESS

The aim of this unit is to introduce students to the definition and approaches that an be applied in best sustainability practices in Restaurant Business. It would also address the importance of adopting waste management in restaurant which would ultimately contribute in optimizing sales for the restaurant.

RESTAURANT BUSINESS LICENSING, FOOD SAFETY & HYGIENE, POLICIES AND PROCEDURES The aim of this unit to introduce the 'behind the scenes' of Restaurant Business where all details pertaining to licensing, food hygiene standards, requirements by government and other policies needs to be introduced to students. Much emphasis needs to be enforced that these requirements can never be compromised for any reason in the functioning of a Restaurant Business.

INDUSTRIAL ATTACHMENT

Upon completion of all academic modules, students are required to undertake an industrial attachment of up to 6 months with an organization of their choice. The industrial attachment gives students first-hand practical experience and the chance to see what a variety of different jobs are really like, including some the student may not have considered. Students will learn more about the expectations of different roles and develop key competencies needed for employment. Students will be required to submit reports and evaluations during the attachment.

About IMSC

The International Management and Sports College (IMSC) was formed after a rebranding exercise undertaken by the International Sports Academy (ISA).

ISA was founded in 2003 to provide the much-needed knowledge and skills required to empower individuals with the right tools to achieve success in the burgeoning sporting industry. Together with our partners from the United States Sports Academy, the National Strength and Conditioning Association, and the American Council on Exercise, we offer quality certifications and diplomas that are recognised internationally, to provide our students with an edge in the sports and fitness industry.

Over the years, the sports and fitness industry has evolved greatly and the local sports scene has seen an explosion of world-class sports events like Formula One and the WTA Finals. There is now a demand for trained personnel not just in sports and fitness, but also in tourism, hospitality, events management, marketing, retail, and facilities management. Thus ISA was renamed International Management and Sports College (IMSC) to better reflect our increased course offerings in business, tourism and hospitality management to better serve the changing needs of the industry.

IMSC will continue to serve as Singapore's and the region's premier private education institution, in providing a holistic education that equips individuals with the skillsets and competencies required for the future economy. We offer a series of quality academic programmes, professional certifications and continuing education courses to cater to varied needs and schedules, in helping our students achieve their goals in lifelong learning.

OUR MISSION

To provide a holistic education that equips individuals with the skillsets and competencies required for the industry.

OUR CULTURE

Where success is not quantified by just the result, but rather by the calibre of the pursuit.

OUR VISION

To develop industry-ready individuals for the future economy.

OUR VALUES

Passion | Progress | Purpose

Why choose IMSC?

- Conferred Edutrust (4-Year) Award by the Committee for Private Education for maintaining high standards in providing quality education services.
- · Appointed Education Partner by University of Portsmouth for Sports Science and Sports Management programmes.
- Named Most Preferred Private Education Institute for Diploma/Advanced Diploma (Sports and Recreation) by JobsCentral Learning Survey.
- · Provides early industry exposure and job placement assistance through extensive industry network.
- Endorsed by leading industry employers such as Virgin Active, True Fitness, the Pure Group, BFT, among others.
- Offers continuing education courses for increasing skillsets.
