MODULES DESCRIPTION

UNDERSTANDING THE TOURISM AND HOSPITALITY INDUSTRY

This module aims to introduce students to the tourism and hospitality industry. Students will understand the types and characteristics of different hotel and food service providers. Students will also understand the roles and functions of different delivery channels operating within the industry and will be able to gain an insight into how the industry has developed and is likely to develop in future.

SERVICES MARKETING

The aim of this module is to introduce learners to services marketing techniques and to provide an understanding of the role of customer service in the hospitality and tourism industry. Learners will be introduced to the principles of consumer behaviour and the marketing mix.

FOOD AND BEVERAGE OPERATION

Emphasize the importance of the theoretical and practical aspects required of service staff involved in the day to day operations of food and beverage outlets. This module also includes an understanding of service delivery decision-making process and standards that are expected of them. This subject explains and examines the product, its origin; the making process and packaging and service aspect of alcoholic and non-alcoholic beverages. It is a prerequisite to managing food and beverage service in the tourism and hospitality industry.

HOUSEKEEPING OPERATIONS

The aim of this module is to enable students to examine concepts of housekeeping operations in the hospitality industry. One of the principle goals of housekeeping is to serve the needs of guests by providing appropriate care for their accommodation and for other areas in the lodging property.

FRONT OFFICE OPERATIONS

The aim of this module is to introduce students to the systems and procedures required for Front Office Operations. It emphasizes the importance of high standards in personal qualities and the provision of customer service. Students will develop knowledge and skills in reception procedures as well as understanding the key legislation that relates to reception procedures. They will also evaluate the suitability of different procedures for a range of hospitality outlets.

About IMSC

Founded in 2003, IMSC stands as one of Singapore's pioneering private educational institutions. It emerged following the privatization of the education division within the former Singapore Sports Council.

We deliver tailored education solutions that transform students into globally competitive professionals and visionary entrepreneurs. Our programs are meticulously designed to align with high-growth industries, ensuring graduates not only secure opportunities but thrive in them.

During its founding days, IMSC was appointed by the United States Sports Academy (USSA) as its sole partner in Singapore to provide quality academic sports certifications and diplomas. Thereafter, IMSC continued to grow from strength to strength, and has diversified into providing professional certifications and education in multiple industries such as business management, hospitality and tourism, sports and wellness, logistics, and many others.

IMSC has persistently emphasized building a formidable international presence. It has attracted students from over 15 countries and has established academic and industry partnerships with esteemed institutions in China, Malaysia, Vietnam, England, Australia, and India. Today, IMSC's programmes can also be found in countries like Malaysia and China.

OUR MISSION

We are committed to becoming Asia's premier education innovator, empowering students with industry-aligned skills that transcend borders.

OUR VISION

To Lead Asia in Building Sustainable, Global Careers.

OUR CULTURE

Where success is not quantified by just the result, but rather by the calibre of the pursuit.

OUR VALUES
