MODULES DESCRIPTION

SERVICES MARKETING AND CUSTOMER SERVICE

The aim of this module is to introduce learners to services marketing techniques and to provide an understanding of the role of customer service in the hospitality and tourism industry. Learners will be introduced to the principles of consumer behaviour and the marketing mix.

EVENTS MANAGEMENT

The aim of this module is to enable learners to understand the different types of events that are linked to the hospitality and tourism industry. Learners will gain an appreciation of the MICE sector as well as knowledge of the requirements of planning and managing events.

DEVELOPMENT OF THE HOSPITALITY AND TOURISM INDUSTRY

The aim of this module is to provide learners with an understanding of the main factors influencing the development of the hospitality and tourism industry. Learners will develop the ability to analyse the factors affecting demand within the industry as well as knowledge of the main providers of goods and services in hospitality and tourism.

MANAGING FOOD AND BEVERAGE OPERATION

This module covers understanding the principles of food production operations, food production operations and food and beverage service.

TOURISM AND HOSPITALITY BUSINESS MANAGEMENT

The aim of this module is to develop learners' understanding of the main internal and external factors that influence businesses in the tourism and hospitality industry. Learners will understand how to analyse the micro and macro environments in order to influence management decisions. Learners will apply tools to gain information relating to the tourism and hospitality business environment.

ACADEMIC AND PROFESSIONAL DEVELOPMENT

The aim of this module is to provide learners with an understanding of the main factors influencing the development of the hospitality and tourism industry. Learners will develop the ability to analyse the factors affecting demand within the industry as well as knowledge of the main providers of goods and services in hospitality and tourism. (cont'd)

MODULES DESCRIPTION

HOSPITALITY ROOMS DIVISION OPERATIONS

The aim of this module is to provide learners an understanding of rooms division operations (front office and housekeeping departments), front office processes and housekeeping operations.

MARKETING MANAGEMENT

The aim of this module is to provide learners with a critical understanding of the principles of marketing. Learners will develop the ability to apply the marketing mix and to explain the role and function of marketing within tourism and hospitality organisations.

CUSTOMER RELATIONS MANAGEMENT

The aim of this module is to provide learners with an understanding of the importance of customer relations in the hospitality and tourism industry. Learners will develop the ability to analyse the factors influencing excellence in customer service, including communication and teamwork, sales and promotion, consumer decision making and the legal aspects of customer service. Learners will understand how to apply their knowledge to the effective management of customer relations.

OPERATIONS MANAGEMENT

The aim of this module is to provide learners with an understanding of operations management within the hospitality and tourism industry and specifically the systems, processes, project and quality management skills associated with this function. Learners will develop the ability to apply operations management knowledge to hospitality and tourism organisations and have an in-depth appreciation of the value of the operations function.

FINANCE MANAGEMENT

The aim of this module is to provide learners with an understanding of the fundamental principles of financial accounting and financial management in the hospitality and tourism industry and how to apply these principles in practice.

HUMAN RESOURCE MANAGEMENT

The aim of this module is to provide learners with the ability to select and apply appropriate human resources frameworks to the hospitality and tourism industry. Learners will develop skills in the recruitment and retention of staff, as well as the importance of training and industrial relations. Learners will understand the importance of identifying and managing cultural diversity in the workforce.

MODULES DESCRIPTION

INDUSTRIAL ATTACHMENT

Upon completion of all academic modules, students are required to undertake an industrial attachment of up to 6 months with an organization of their choice. The industrial attachment gives students first-hand practical experience and the chance to see what a variety of different jobs are really like, including some the student may not have considered. Students will learn more about the expectations of different roles and develop key competencies needed for employment. Students will be required to submit reports and evaluations during the attachment.

About IMSC

Founded in 2003, IMSC stands as one of Singapore's pioneering private educational institutions. It emerged following the privatization of the education division within the former Singapore Sports Council.

We deliver tailored education solutions that transform students into globally competitive professionals and visionary entrepreneurs. Our programs are meticulously designed to align with high-growth industries, ensuring graduates not only secure opportunities but thrive in them.

During its founding days, IMSC was appointed by the United States Sports Academy (USSA) as its sole partner in Singapore to provide quality academic sports certifications and diplomas. Thereafter, IMSC continued to grow from strength to strength, and has diversified into providing professional certifications and education in multiple industries such as business management, hospitality and tourism, sports and wellness, logistics, and many others.

IMSC has persistently emphasized building a formidable international presence. It has attracted students from over 15 countries and has established academic and industry partnerships with esteemed institutions in China, Malaysia, Vietnam, England, Australia, and India. Today, IMSC's programmes can also be found in countries like Malaysia and China.

OUR MISSION

We are committed to becoming Asia's premier education innovator, empowering students with industry-aligned skills that transcend borders

OUR VISION

To lead Asia in building sustainable, global careers

OUR CULTURE

Where success is not quantified by just the result, but rather by the calibre of the pursuit.

OUR VALUES

Passion | Progress | Purpose

Why choose IMSC?

- Industry Readiness – Special emphasis on teaching skills and knowledge necessary for the workforce.
- Access to Higher Education - Our pedagogy is grounded in a curriculum aligned with the latest frameworks adopted by leading universities, ensuring that students acquire relevant, forward-thinking knowledge and are well-prepared for advanced learning.
- Rigorous Curriculum - Provide students with a strong academic foundation that would allow them to pursue higher education.
- Experienced Educators - Our educators are industry practitioners, ensuring students learn workplace-relevant skills and knowledge.
