MODULES DESCRIPTION

SPORTS COACHING METHODOLOGY

This module covers theories and their practical application in teaching sports and sports skills. It is designed to enable students in gaining competence in applying competitive tactics and strategies appropriate to the sport environment. Particular emphasis is placed on developing a coaching philosophy with an emphasis in coaching ethics, conducting effective and efficient practice sessions, utilizing game management strategies, and skill analysis.

SPORTS STRENGTH AND CONDITIONING

This module is designed to study the fundamental principles of training and nutrition in sports. It provides students a solid knowledge of strength and conditioning as it relates to anatomical and physiological systems challenged by sport conditioning, strength training, and an awareness of fitness and nutrition programs which can be used to enhance individual and team performance in sport.

SPORTS AND FITNESS NUTRITION

This module introduces students to the essentials of nutrition, food production and the workings of the alimentary system and looks at relation of these elements to exercise.

HUMAN ANATOMY AND PHYSIOLOGY

This module will help the student to understand the structure and functions of the various systems of the human body.

SPORTS PERFORMANCE ENHANCEMENT

This module introduces students to the concepts and principles of skill development, performance analysis and teaching techniques.

MODULES DESCRIPTION

PRINCIPLES OF FITNESS AND HEALTH

This module introduces students to the study of the importance of physical activity on the enhancement of the quality of life, performance and prevention of diseases such as coronary artery disease and obesity. The principles of physical activity as it relates to the athlete and the average individual in our society are also addressed.

PERSONAL TRAINING

This module provides students a solid background in the area of personal training. This module combines sports science and entrepreneurial principles in the design and implementation of a personal training regime.

SPORTS ADMINISTRATION

This module will help the student understand the sport manager's position and the environment in which performance occurs.

SPORTS BUSINESS AND PERSONNEL MANAGEMENT

This module involves the study of the principles of personnel management including staffing, training, and creation of a favorable work environment, management-labor relations, remuneration, security and system appraisal as they apply to sport.

SPORTS MARKETING

This module includes an in-depth study of sport marketing and the influence it has in accomplishing objectives in today's world of sport.

MENTORSHIP (200 HOURS)

Upon completion of all 10 modules, students are required to complete a mentorship.

About IMSC

Founded in 2003, IMSC stands as one of Singapore's pioneering private educational institutions. It emerged following the privatization of the education division within the former Singapore Sports Council.

We deliver tailored education solutions that transform students into globally competitive professionals and visionary entrepreneurs. Our programs are meticulously designed to align with high-growth industries, ensuring graduates not only secure opportunities but thrive in them.

During its founding days, IMSC was appointed by the United States Sports Academy (USSA) as its sole partner in Singapore to provide quality academic sports certifications and diplomas. Thereafter, IMSC continued to grow from strength to strength, and has diversified into providing professional certifications and education in multiple industries such as business management, hospitality and tourism, sports and wellness, logistics, and many others.

IMSC has persistently emphasized building a formidable international presence. It has attracted students from over 15 countries and has established academic and industry partnerships with esteemed institutions in China, Malaysia, Vietnam, England, Australia, and India. Today, IMSC's programmes can also be found in countries like Malaysia and China.

OUR MISSION

To provide a holistic education that equips individuals with the skillsets and competencies required for the industry.

OUR CULTURE

Where success is not quantified by just the result, but rather by the calibre of the pursuit.

OUR VISION

To develop industry-ready individuals for the future economy.

OUR VALUES

Passion | Progress | Purpose

Why choose IMSC?

- Conferred Edutrust (4-Year) Award by the Committee for Private Education for maintaining high standards in providing quality education services.
- Appointed Education Partner by University of Portsmouth for Sports Science and Sports Management programmes.
- Named Most Preferred Private Education Institute for Diploma/Advanced Diploma (Sports and Recreation) by JobsCentral Learning Survey.
- Provides early industry exposure and job placement assistance through extensive industry network.
- Endorsed by leading industry employers such as Virgin Active, True Fitness, the Pure Group, BFT, among others.
- Offers continuing education courses for increasing skillsets.
