MODULES DESCRIPTION

ORGANISATION BEHAVIORS & CHANGE MANAGEMENT

This module provides a comprehensive understanding of organisational behaviour and change management principles, theories, and practices. Students will learn to analyse individual and group dynamics, understand motivation and engagement, and develop strategies for managing change effectively in today's global workplace.

SUSTAINABLE ENTERPRISE AND LEADERSHIP

This module explores the critical intersection of sustainability, entrepreneurship, and leadership. It equips learners with the knowledge and skills to identify opportunities, apply ethical principles, and foster an entrepreneurial mindset to drive positive environmental and social impact through sustainable business practices.

FINANCIAL ECONOMICS

This module provides a comprehensive introduction to the core principles of financial and managerial accounting, financial analysis, and fundamental economic concepts. Students will learn to interpret financial information, make informed business decisions, understand macroeconomic trends, and evaluate the impact of economic policies.

BUSINESS ANALYTICS

This module equips students with essential business analytics skills. Learn to analyze data using statistics, create impactful visualizations, build predictive models, and formulate data-driven business recommendations. Gain practical experience with industry-standard tools for informed decision-making.

DIGITAL STRATEGIES FOR BUSINESS TRANSFORMATION

This module is designed to equip students with a comprehensive understanding of digital transformation and its profound impact on businesses across various industries. Students will explore the key concepts, technologies, and strategies that drive successful digital transformation initiatives. The module will also focus on developing the ability to identify digital opportunities and threats, and to formulate innovative digital strategies and business models.

HARNESSING GLOBAL TALENTS, CULTURES AND ESG

This module explores the attraction, management, development, and retention of talent in a global context, with a strong emphasis on Environmental, Social, and Governance (ESG) principles. It equips learners with the knowledge and skills to develop and implement talent management strategies that align with business goals and values, and to evaluate the effectiveness of these practices.

INDUSTRIAL ATTACHMENT

Upon completion of all academic modules, students are required to undertake an industrial attachment of up to 6 months with an organization of their choice. The industrial attachment gives students first-hand practical experience and the chance to see what a variety of different jobs are really like, including some the student may not have considered. Students will learn more about the expectations of different roles and develop key competencies needed for employment. Students will be required to submit reports and evaluations during the attachment.

INTERNATIONAL MANAGEMENT & SPORTS COLLEGE

About IMSC

Founded in 2003, IMSC stands as one of Singapore's pioneering private educational institutions. It emerged following the privatization of the education division within the former Singapore Sports Council.

We deliver tailored education solutions that transform students into globally competitive professionals and visionary entrepreneurs. Our programs are meticulously designed to align with high-growth industries, ensuring graduates not only secure opportunities but thrive in them.

During its founding days, IMSC was appointed by the United States Sports Academy (USSA) as its sole partner in Singapore to provide quality academic sports certifications and diplomas. Thereafter, IMSC continued to grow from strength to strength, and has diversified into providing professional certifications and education in multiple industries such as business management, hospitality and tourism, sports and wellness, logistics, and many others.

IMSC has persistently emphasized building a formidable international presence. It has attracted students from over 15 countries and has established academic and industry partnerships with esteemed institutions in China, Malaysia, Vietnam, England, Australia, and India. Today, IMSC's programmes can also be found in countries like Malaysia and China.

OUR MISSION

We are committed to becoming Asia's premier education innovator, empowering students with industry-aligned skills that transcend borders

OUR VISION

To lead Asia in building sustainable, global careers

OUR CULTURE

Where success is not quantified by just the result, but rather by the calibre of the pursuit.

OUR VALUES

Passion | Progress | Purpose

Why choose IMSC?

- Industry Readiness – Special emphasis on teaching skills and knowledge necessary for the workforce.
- Access to Higher Education - Our pedagogy is grounded in a curriculum aligned with the latest frameworks adopted by leading universities, ensuring that students acquire relevant, forward-thinking knowledge and are well-prepared for advanced learning.
- Rigorous Curriculum - Provide students with a strong academic foundation that would allow them to pursue higher education.
- Experienced Educators - Our educators are industry practitioners, ensuring students learn workplace-relevant skills and knowledge.
