MODULES DESCRIPTION

MANAGE QUALITY SYSTEM AND WORKPLACE SAFETY AND HEALTH ISSUES

The aim of this unit is to enable learners to understand and discuss issues pertaining to quality standards, service and performance management. Learners will gain an insight into Quality Management concepts such as Total Quality Management and Six Sigma Management, as well as Quality Management Systems such as ISO 9000 and Quality Marks. Learners will also be introduced to the concept of workplace safety and health.

MANAGEMENT AND OPERATIONS IN LOGISTICS

The aim of this unit is to allow learners to learn about the best practices in the warehouse operations in the basic functional areas receiving, storage, pick and pack and distribution. In addition, learners will be able to learn about the different types of equipment typically found in a warehouse. Finally, learners can also conduct an operation planning in costing and customer service in warehouse operation to achieve peak effectiveness.

SUPPLY CHAIN MANAGEMENT

The aim of this unit is to provide students with a broad, strategic view of supply chain management. The unit also explores some of the key techniques and approaches employed in the field of supply chain management and examines some of the new developments in the area.

MANAGE TEAMS AND PROJECT MANAGEMENT

This unit equips learners with management skills and knowledge required to achieve success in developing an effective project management team They will learn to leverage teams in developing business projects, be effective in monitoring implementation and rewarding success to sustain peak team performance.

INTERNATIONAL MANAGEMENT & SPORTS COLLEGE

About IMSC

Founded in 2003, IMSC stands as one of Singapore's pioneering private educational institutions. It emerged following the privatization of the education division within the former Singapore Sports Council.

We deliver tailored education solutions that transform students into globally competitive professionals and visionary entrepreneurs. Our programs are meticulously designed to align with high-growth industries, ensuring graduates not only secure opportunities but thrive in them.

During its founding days, IMSC was appointed by the United States Sports Academy (USSA) as its sole partner in Singapore to provide quality academic sports certifications and diplomas. Thereafter, IMSC continued to grow from strength to strength, and has diversified into providing professional certifications and education in multiple industries such as business management, hospitality and tourism, sports and wellness, logistics, and many others.

IMSC has persistently emphasized building a formidable international presence. It has attracted students from over 15 countries and has established academic and industry partnerships with esteemed institutions in China, Malaysia, Vietnam, England, Australia, and India. Today, IMSC's programmes can also be found in countries like Malaysia and China.

OUR MISSION

We are committed to becoming Asia's premier education innovator, empowering students with industry-aligned skills that transcend borders

OUR VISION

To lead Asia in building sustainable, global careers

OUR CULTURE

Where success is not quantified by just the result, but rather by the calibre of the pursuit.

OUR VALUES

Passion | Progress | Purpose

Why choose IMSC?

- Industry Readiness – Special emphasis on teaching skills and knowledge necessary for the workforce.
- Access to Higher Education - Our pedagogy is grounded in a curriculum aligned with the latest frameworks adopted by leading universities, ensuring that students acquire relevant, forward-thinking knowledge and are well-prepared for advanced learning.
- Rigorous Curriculum - Provide students with a strong academic foundation that would allow them to pursue higher education.
- Experienced Educators - Our educators are industry practitioners, ensuring students learn workplace-relevant skills and knowledge.
