MODULES DESCRIPTION

RESEARCH & ACADEMIC WRITING

The aim of this unit is to provide learners with an understanding of the main factors influencing the development of the hospitality and tourism industry. Learners will develop the ability to analyse the factors affecting demand within the industry as well as knowledge of the main providers of goods and services in hospitality and tourism.

BUSINESS LAW

The module offers a comprehensive understanding of United Kingdom's business law. Covering legal framework, contract law, company law, and intellectual property law, learners gain knowledge of key legal considerations, rights, and obligations. This prepares them to navigate legal challenges and make informed decisions in their professional careers.

PRINCIPLES OF MANAGEMENT

This module aims to equip students with a foundational understanding of management, encompassing organizational concepts, managerial roles, and the historical evolution of management thought. It will also explore the complexities of managing in a global environment and the critical importance of ethical considerations and social responsibility in modern business practices, including emerging areas like greening of management.

PRINCIPLES OF ACCOUNTS

This module aims to equip students with a fundamental understanding of accounting principles and practices. It will cover the core concepts, procedures for recording financial transactions, and the preparation of essential financial statements. Students will also learn to handle specific accounting scenarios, including control accounts, non-profit organizations, and reconstructing financial information from limited data, fostering practical accounting skills.

MARKETING ESSENTIALS

This module aims to provide a comprehensive understanding of marketing principles, from foundational concepts and environmental analysis to consumer behavior, product development, pricing strategies, and integrated communication. Students will develop practical skills for managing marketing information and crafting effective strategies to deliver customer value.

PROFESSIONAL COMMUNICATIONS

This module equips learners with essential communication skills vital for professional success. It delves into the foundational theories of communication, hones personal communication techniques, and builds confidence in public speaking, group discussions, and persuasive presentations. The module also emphasizes critical thinking, research, and effective use of visual aids to enhance communication impact.

INDUSTRIAL ATTACHMENT

Upon completion of all academic modules, students are required to undertake an industrial attachment of up to 6 months with an organization of their choice. The industrial attachment gives students first-hand practical experience and the chance to see what a variety of different jobs are really like, including some the student may not have considered. Students will learn more about the expectations of different roles and develop key competencies needed for employment. Students will be required to submit reports and evaluations during the attachment.

About IMSC

Founded in 2003, IMSC stands as one of Singapore's pioneering private educational institutions. It emerged following the privatization of the education division within the former Singapore Sports Council.

We deliver tailored education solutions that transform students into globally competitive professionals and visionary entrepreneurs. Our programs are meticulously designed to align with high-growth industries, ensuring graduates not only secure opportunities but thrive in them.

During its founding days, IMSC was appointed by the United States Sports Academy (USSA) as its sole partner in Singapore to provide quality academic sports certifications and diplomas. Thereafter, IMSC continued to grow from strength to strength, and has diversified into providing professional certifications and education in multiple industries such as business management, hospitality and tourism, sports and wellness, logistics, and many others.

IMSC has persistently emphasized building a formidable international presence. It has attracted students from over 15 countries and has established academic and industry partnerships with esteemed institutions in China, Malaysia, Vietnam, England, Australia, and India. Today, IMSC's programmes can also be found in countries like Malaysia and China.

OUR MISSION

We are committed to becoming Asia's premier education innovator, empowering students with industry-aligned skills that transcend borders

OUR VISION

To lead Asia in building sustainable, global careers

OUR CULTURE

Where success is not quantified by just the result, but rather by the calibre of the pursuit.

OUR VALUES

Passion | Progress | Purpose

Why choose IMSC?

- Industry Readiness – Special emphasis on teaching skills and knowledge necessary for the workforce.
- Access to Higher Education - Our pedagogy is grounded in a curriculum aligned with the latest frameworks adopted by leading universities, ensuring that students acquire relevant, forward-thinking knowledge and are well-prepared for advanced learning.
- Rigorous Curriculum - Provide students with a strong academic foundation that would allow them to pursue higher education.
- Experienced Educators - Our educators are industry practitioners, ensuring students learn workplace-relevant skills and knowledge.
